Technical Data Sheet

8011 Qwick Electro Klens
Heavy Duty Cleaner & Degreaser

Product Description

Stanvac 8011 is a low odor, high flash point, heavy-duty cleaner / degreaser which rapidly penetrates through grease, oil, dirt, dust and other contaminants and cleans equipment fast.

Its superior wetting and fast penetrating action makes it ideal for tough cleaning jobs for removal of stubborn contaminants as tar, adhesives, bitumen and other such soils where regular grade cleaning agents fail.

Stanvac 8011 does not contain any CFC's, chlorinated solvents or ozone depleting chemicals and is suitable for cleaning / degreasing of all electrical equipment as well as metal surfaces and mechanical equipment.

Applications

For heavy duty cleaning / degreasing applications of all motors, terminals, transformers, switchgears, tuners, busbars, relays, controls, printed circuit boards, electrical, electromechanical and mechanical equipment as brakes, chains, gears, bearings, clutches, generators, hand tools, molds, dies, slides, pumps, forklifts, valves, nuts & bolts, pipes, power tools.

Benefits

- Removes grease, oil, dirt, dust, sludge, inks
- Non corrosive & non staining
- Removes tar, adhesives and other tough contaminants
- Leaves no residue
- High dielectric strength
- Safe on metals, plastics and similar electrical insulation materials
- High flash point reduces potential risk of fire
- Non chlorinated, low odor formulation
- Fast penetrating and superior wetting action

Directions For Use

Use as supplied. Never dilute or mix with other products.

Never use on energized equipment. Do not dilute with any other cleaning agent, water or mix with any solvent. Apply onto soiled surface and continue dipping / applying / spraying liberally until only solvent runs out clearly and contaminants have been washed off. To remove heavy carbon or oxides, use a brush. Allow solvents to dry off the components before reactivating. To enhance drying time, apply forced air or wipe dry with an absorbent cloth after applying. Use only when completely dry. **Caution:** Contains flammable solvents. Do not spray near naked flame, hot surfaces or energized equipment. Use with adequate ventilation.

General

Use in well ventilated areas. Avoid continuous breathing of vapor and spray mist. In closed areas or areas with poor ventilation, use respiratory protection. For complete details on safety, short and long term exposure, refer to this product's safety data sheet (SDS).

Aerolube Technologies

8011 Qwick Electro Klens **Heavy Duty Cleaner & Degreaser**

TECHNICAL PROPERTIES

Parameter	Unit	Value
Type		Heavy duty cleaner & degreaser
Appearance		Liquid
Color		Clear
Odor		Negligible
Specific Gravity @ 20° C	g/cm ³	0.73-0.83
Flash Point	°C	+40
Boiling Point (initial)	°C	+155
Solubility in Water		Nil
Percent Volatile	%	100 (no residue)
Evaporation Rate		<1 (ref: n, butyl acetate= 1)
Dielectric Strength	Volts	38000
Kauri Butanol Value (KB)		27
Vapor Density		Heavier than air
PH		NA
Metal / Plastics Safety		No corrosion on metal surfaces; no effect and safe for plastics

* of active ingredients

Available Packaging

5 Ltrs, 30 Ltrs. 210 Ltrs pack

Shelf Life

Bulk -12 months / Aerosol-24 months from date of manufacture in sealed condition.

Disposal

All used and unused product should be disposed of in accordance with state regulations.

Handling

Read instructions on the container label of the product before use. The product safety data sheet (SDS) contains the relevant information regarding personal protective equipment, safe use, physical and health hazards. Safety data sheet is available from Aerolube or your local Aerolube distributor.

Limited Warranty

The information and data contained in this sheet is accurate to the best of our knowledge or is obtained from sources, tests or experiences believed by us to be reliable and accurate. User is responsible for determining whether recommended Stanvac product is fit for a particular purpose. All products should be tested for suitability on a particular application prior to actual use. We make no representations of any kind. Data offered without warranty. Product manufactured is for industrial use only.
